

*Special Presentation by Chaz Evans-Haywood,
Clerk of the Circuit Court, Rockingham County*

The Shenandoah Valley Civil War Round Table, along with a generous gift from the Rockingham Cluster Group of the Shenandoah Valley Battlefields Foundation, is delighted to support the preservation efforts of Clerk of Court Chaz Evans-Haywood in restoring and conserving an historical volume titled "Civil War Veterans." Found in the basement of the Court House, this volume is a roster of the names of the Rockingham County soldiers who fought in the Confederate Army. To ensure the pages are protected long term, a nationally-known preservation company cleaned, de-acidified, and protected the pages in preservation-grade mylar. Electronic copies of this treasure have been gifted to The Heritage Museum for public access beyond the Court House.

Additional historical volumes in advanced stages of decay are in need of sponsors. A list of these documents is available from the Clerk's office. Funds are handled by the Harrisonburg-Rockingham Community Foundation and are tax deductible. A letter of appreciation will be sealed in the front of the preserved volume in recognition of the group, family, or individual who funded the preservation project.
